

**NATIONAL CENTER FOR HYDROLOGY AND METEOROLOGY
THIMPHU: BHUTAN**

"Center of Excellence in Hydrology, Meteorology and Cryosphere Science and Services"

NCHM/General-F34/2021-2022/96

23 February 2022

Notification

In accordance to the press release dated February 22, 2022 from the National Covid-19 Task Force, the National Center for Hydrology and Meteorology (NCHM) has activated the "Work from Home" protocol with immediate effect. However due to technical nature of mandates, the Center will follow the COVID-19 Plan for Continuing Service Delivery (CSD) and Standard Operating Procedure (SOP) under the lockdown. 24/7 the National Weather and Flood Warning Center (NWFWC), Thimphu will operational in a containment mode for the continued delivery of weather and flood warning services. NWFWC will update weather and flood information regularly in the Center website and social media Facebook page.

For further information and services contact the following focal persons.
